

For the long time I have known Teryn, I have always known her to be a talented and excellent permanent makeup artist. She is truly dedicated to her work and to her clients. She is artistic, meticulous, and professional. I trust my patients to Teryn and she is highly recommended by myself and my staff.

Michael Mall, M.D.

Michael Mall, M.D. is a family practice board certified physician who has been practicing in the Las Vegas valley since 1990. Aside from his medical practice, Dr. Mall has provided Las Vegas with his laser cosmetic business called "New Image Advanced Laser Skin Center". Services include: skin tightening, fat shrinking, photofacials, pain free laser hair removal, vein removal, skin resurfacing and much more. (702) 697-7991
